Updated Fee Payment Policy

Dear Parents / Guardians,

Warm Greetings!

1. As the partners in the school development, Parents are expected to deposit the fees on time.
2. Non-payment of school fees on time can attract penalties, and even the name of the child can be struck off from the school.
3. If the fees are not received by the 10th of the month, a penalty of Rs 20/- shall be levied per day from the 11th day of the month.
4. Fee concession/discounts cannot be claimed as a right in any case.
5. As you are aware, the school provides the convenience of paying the annual fee in monthly installments, keeping in view the comfort and flexibility of all parents. However, it has been observed that despite this facility, fee payments are frequently delayed by some of the parents. Such delay adversely impacts the school's operational and academic planning, as the institution primarily functions through the revenue generated from timely fees payments.
6. In light of this, we wish to inform you of the following update to the fee payment policy, effective immediately :

If the monthly fees are not paid by the 10th of each month, any discount or concession availed shall be considered null and void, and the full fee amount will be applicable.

Your cooperation is essential for the smooth functioning of the school, and we are confident that you understand and support this initiative.

For any query, contact the school office.

Warm regards
